## WORK EXPERIENCE:

### **iFlip4**

[www.iflip4.com](http://www.iflip4.com)

Graphic Designer

2013

*Created storyboards for viral video and made digital art for daily newsfeed. The video was meant to present viewers with problems existing in education around the world. The quotes were made to be shared and to inspire, so I found quotes and corresponding pictures which fit in a consistent format.*

### **L Form**

271 Grove Ave,

Verona NJ 07044

Web Design Internship

2011

*Helped in developing web design for Adrenaline Fitness Center. Combined with learning user interaction and taking photographs of the fitness center, I created each page layout and how the pictures would fit within each page.*
